

§513.40

(1) Lump sum offset. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump sum offset.

(2) Installment deductions. The amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless the debtor has agreed in writing to the deduction of a greater amount. If possible, installment payments will liquidate the debt in three years or less.

(3) Deductions from final check. A deduction exceeding the 15 percent of disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the Federal Claims Collection Standards, in order to liquidate the debt, whether the employee is leaving voluntarily or involuntarily.

(4) Deductions from other sources. If an employee subject to salary offset is leaving the Commission and the balance of the debt cannot be liquidated by offset of the final salary check, then the Commission may offset later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the Federal Claims Collection Standards.

(h) When two or more creditor agencies are seeking salary offsets, the Commission's payroll office may, in its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

(i) The Commission is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.
